SRUTHI ROBBI

sruthidhar.r@gmail.com | PH: 443-905-2909 | Portfolio: https://sruthirobbi.github.io/portfolio/

Summary

Web Developer with 3+ years of experience in designing, developing, testing, debugging software containing logical and mathematical solutions to business problems. Dedicated to driving innovation with the ability to follow industry and technological trends and facilitating early adoption of innovations. Earned a Master's degree in Web page Design and Development.

Professional Experience

Technical Consultant (Perficient, Fairfax, VA)   **2/19 – Current**

My responsibilities in the team:

- Designing, Developing Web Applications using latest technologies like React.JS, HTML, JavaScript, PHP, API and JSON.
- Presentation and Stylings using the latest CSS pre-processor such as LESS, SASS. Responsiveness using Material-UI, Bootstrap.
- Debugging and troubleshooting code related issues using Enzyme, Jest for React component and using Browser debugging tool.
- Working on Node.js for building fast and scalable network application.
- Gaining an understanding of the unique business and technical requirements on each engagement to facilitate the most appropriate solution design
- Working on version control such as GIT/SVN for tracking code changes, merging code to source code.
- Practicing strong configuration management and server side dependencies using NPM
- Develop and maintain effective working relationships with team members and stakeholders.

Web Developer (Burnalong, Pikesville, MD)   **7/17 – 2/19**

My responsibilities in the team:

- Experience working with graphic designers and converting designs to visual elements using HTML, CSS, JavaScript, JQuery and Bootstrap.
- Experienced with back-end programming languages (PHP, Laravel, Object Oriented Programming) using MVC pattern and server-side languages including JavaScript.
- Experience with MySQL database, CURD operations, creating triggers, events, functions, stored procedures.
- Experience with cloud message APIs and usage of push notifications.
- Knowledge of code versioning tools SVN.
- Partnering with business areas to identify, interpret, analyze and document requirements and test cases.

Projects ───

Personal Portfolio: https://sruthirobbi.github.io/portfolio/ Using HTML, CSS, JQuery, and Bootstrap.

Saloon Website: https://github.com/sruthirobbi/saloonWebsite Using HTML, CSS, JavaScript, and JQuery.

Weather App: https://github.com/sruthirobbi/weather_app Using API

GitHub: https://github.com/sruthirobbi

Highlights ───

- Web Development
- Cross-Browser Operability
- Work-flow Optimization

- React.js, Redux.js, JavaScript, ES6
- HTML4/5, CSS, SASS, Bootstrap
- MySQL, PHP, JQuery

Education ───

Master's in Computer Science, 2016-2017. (Major: Web Page Design and Development)
